

Parental Notification Regarding Designation of Bathrooms, Locker Rooms, and Dressing Rooms

SKY Academy Englewood students may choose to utilize the restroom/locker room that corresponds to his or her biological sex at birth, or students can always choose to utilize one of our single-stall, unisex restrooms located on the second floor or in the classrooms.

All restrooms are monitored by SKY Academy Englewood faculty and staff throughout the day. A PE coach monitors locker rooms while students are dressing out and dressing in, ensuring that all students who choose to use the single-sex locker rooms are separated according to biological sex assigned at birth. Locker rooms are locked when they cannot be monitored.
